EXPERIENCE

International School of Beijing Student Council, Beijing, China — *Class President*

March 2017 - June 2017

Worked with school administration as well as the rest of the student council to coordinate school-wide events, with particular focus on the graduation Class of 2018. Role was cut short due to moving to California.

Beijing International Model United Nations, Beijing, China — *Director of Technology*

November 2016 - March 2017

Oversaw the development of the Beijing Model United Nations mobile app to streamline the delegate's conference experience, as well as helped maintain the program's server infrastructure. Also participated as a delegate.

Junior Varsity Soccer, Beijing, China — *Team Captain*

January 2015 - April 2017

Ran practices three times a week with weekend games. Organized practices, team-building activities, and made decisions regarding international tournaments.

WORK

Jiaohuan 交换, Beijing, China — *Lead App Developer*

January 2016 - December 2016

Led the development of iOS and Android versions of Jiaohuan, an app to streamline the Chinese businessman's card collection

Gate Education, Beijing, China — *Front-End Developer*

August 2015 - April 2016

Aimed to create a centralized hub for Chinese teachers to share information with students. Focused on maintaining the front-end portion of the website.

FlashStock Technology, International — *Preferred Photographer*

January 2017 - PRESENT

Took on assignments, focused on producing stock photography for advertisements. Photographed advertising campaigns for Alaskan Airlines and Marriott.

EDUCATION

Henry M. Gunn High School, Palo Alto, California — *High School Diploma*

August 2017- PRESENT (expected graduation: May 2018)

Was a new student at the beginning of senior year. Took a full schedule with AP courses in Calculus, Economics, and Computer Science, modeled after Berkeley's CS61A/B.

International School of Beijing, Beijing, China — *High School*

August 2014 - June 2017

Was originally a candidate for the International Baccalaureate Diploma Programme; however an unexpected move between my junior and senior year forced me to discontinue the program. Took Economics, Chemistry, and Film at Higher Level, and Mathematics, Chinese, and English at Standard level.
